

Elizabeth Spencer
BONDED WINERY EST. 1998

2020 SAUVIGNON BLANC, NORTH COAST

TASTING NOTES

Enticing aromas of white florals and green apple, followed by layers of fresh tangerine. Vibrant acidity on the palate that provides structure with flavors of stone fruits like peach, and a citrus mélange, with hints of pear balancing with a developed minerality to provide an intriguing counterpoint. The wine offers refreshing acidity, flavors and aromatics that develop and linger through the finish.

VINEYARDS

The fruit for our sauvignon blanc comes from quality vineyards throughout the California North Coast. The sauvignon blanc grapes for this wine were selected from these premier vineyards located in the cooler climate counties known for producing quality sauvignon blanc. This superior fruit adds layers and gives the wine its citrus and mineral elements.

WINEMAKING

Our 2020 sauvignon blanc consists of five vineyards selected from sites that showcase the minerality and fresh fruit that is a mark of Elizabeth Spencer wines. All lots were fermented separately at cool temperatures, then blended together to craft a bright, and approachable wine. We bottled here in our Napa Valley winery after an early harvest this year to capture the fragrance and zesty acidity that were a highlight of the 2020 growing season.
